

Available *Only* at the In-Person Sale

Native & Hardy Perennials

Barton Plant Sale 2026 • May 8 & 9

Friday 4–7:30 pm • Saturday 10 am – 4 pm

All of these native and hardy perennials are sold as singles in 3.5" pots — beautiful, low-maintenance plants that come back year after year. The list below reflects what's still available *after* the online pre-order closed, so quantities are limited and some popular varieties have already sold out. Stop by Barton Community School (4237 Colfax Ave South, Minneapolis) during sale hours to choose from Minnesota-native perennials, prairie grasses, hardy perennials, and ferns.
